1. Round 1

1.1. Reviewer 1

Reviewer:

Clarify and elaborate on the research question's contribution to existing literature.

Enhance the coherence of the argument by providing succinct summaries of key findings.

Update the literature review with more recent studies.

Strengthen the connection between thematic findings and their implications for practice and policy.

Revise for conciseness and accessibility, reducing jargon where possible.

Authors revised the manuscript and uploaded the document.

1.2. Reviewer 2

Reviewer:

Expand on the research question's implications for the field.

Broaden the literature review to include interdisciplinary perspectives.

Consider integrating additional theoretical frameworks in the analysis.

Translate thematic findings into actionable recommendations for policy and practice.

Conduct a thorough language and grammar check, focusing on clarity and consistency.

Authors revised the manuscript and uploaded the document.
